

DIY ART-MAKING: RECYCLED PRINTING

ABOUT RECYCLED PRINTING

Using recycled materials to make art is a fun and affordable way to create at home. Try out these recycled printing ideas to create your own unique works of art!

MATERIALS

- Empty paper towel and/or toilet paper rolls
- Paint in a variety of colors, paint brushes and paint palettes for spreading paint
- Bubble wrap, saran wrap, and/or string
- Construction paper
- Scissors and masking tape

INSTRUCTIONS

Step 1

Spread your paint out onto a palette and dip the end of a cardboard tube into the paint. Press and lift the tube onto a piece of paper. Create a circle stamp design!

Step 2

Wrap bubble wrap around tube (cut to fit and secure with tape). Use a paint brush to apply paint to the circular bubbles. Roll the tube onto a piece of paper and check out your polka dot print!

Step 3

Repeat the process using string and/or saran wrap. Notice the different patterns you create!
